Drop-off and pick-ups are all done by **appointment ONLY**. Please be mindful that if you are running late, please text me with your updated arrival time. We work our routine around appointment times, affecting the dogs within our care if you aren't on time. If there is no contact/show within 5 minutes after your appt time, you will be charged an **adjusted schedule fee of \$25**. If there is an extended time difference, you might have to wait until my next available time slot. Multiple lates may result in denial of services.

Curbside drop-offs and pick-ups are super easy and convenient. Please feel free to park right in front of the mailbox and driveway area (**Please refrain from parking in the driveway**).

When dropping off or picking up, if you don't see me, please text or call me to say you have arrived. Please don't ring the doorbell, as it excites all the dogs, and we like to keep a low-stress environment for everyone.

Food

Please bag or contain each meal individually, whether dry, fresh, or raw food. There will be an **added fee of \$25/day** if we receive a large amount of food and need to portion each meal for your dog (unless told otherwise).

Please update us on any behavior(s) that aren't normal for your dog. When/if your dog requires medication for a new ailment, please let us know as soon as possible. Some things might be contagious and will result in quarantine from Gone Country Dogs, LLC for a period of time.

Medications - if necessary, please keep them in original packaging from the vet and include instructions for when and how they are given that works for your dog.

You may also bring an **old t-shirt, towel, or small blanket** that your dog may have with them to have the scent of home, as long as they won't destroy and ingest it. Unfortunately, beds aren't allowed due to their bulkiness to be cleaned.
